### CALL OF NATIONAL PROGRESSIVE PRIMARIES

To the people of Cache county, regardless of past party affiliations, who believe that the time has come for the organization of a national progressive party; who believe in the right and capacity of the people of our country to rule themselves; who insist upon the right to choose the candidates for whom they shall vote; who recognize the evils of the boss system that has perverted the functions of our political parties, and the ends of popular government.

A mass progressive primary in Logan City is hereby called by the undersigned members of a provisional committee to meet at the court room in the county court house, at 1:30 p. m., on July 21, 1912, for the purpose of choosing ten delegates to attend the State convention to be held at Provo, Utah, July 27, 1912, for the purpose of nominating delegates to a National Convention to be held at Chicago upon the 5th day of August, 1912, for the purpose of nominating candidates for President and Vice President of the United States, and to affect an organization of said progressive party.

It is suggested by the undersigned that all those interested in accomplishing the purposes set forth herein, residing in Cache county, hold meetings or primaries on said 24th day of July, and that there be elected from each voting precinct in Cache county one delegate to attend said state convention, and for the further purpose of affecting an organization of the progressive forces in Cache county.
